## **Statistics Authority publishes an Interim Report on a review of migration statistics**

The UK Statistics Authority today publishes an interim report as part of its monitoring review of official migration statistics. The report is available on the Authority's website at

<http://www.statisticsauthority.gov.uk/reports---correspondence/reports/migration-statistics--interim-report.pdf>

Comments on the issues raised in this report are welcome – please make them to [authority.consultations@statistics.gsi.gov.uk](mailto:authority.consultations@statistics.gsi.gov.uk).

A public meeting is being held on 22 April at the Royal Statistical Society. This is now fully subscribed. If you have not booked a place but are keen to attend please contact [authority.enquiries@statistics.gsi.gov.uk](mailto:authority.enquiries@statistics.gsi.gov.uk) to be put on a waiting list. The feedback from this event will contribute towards the final report which we are aiming to publish in July 2009.
